One of our most popular, good value and much sought after properties in Paris the Hotel Brebant enjoys a great location, close to public transport and just a short stroll to the Opera with excellent shopping on the Grands Boulevards and near to the theatre/entertainment districts.

The hotel has 122-air-conditioned comfortable rooms with double-glazing to help with sound-proofing, each with a well-equipped private bathroom/shower, telephone, Satellite TV, mini bar and personal safe.

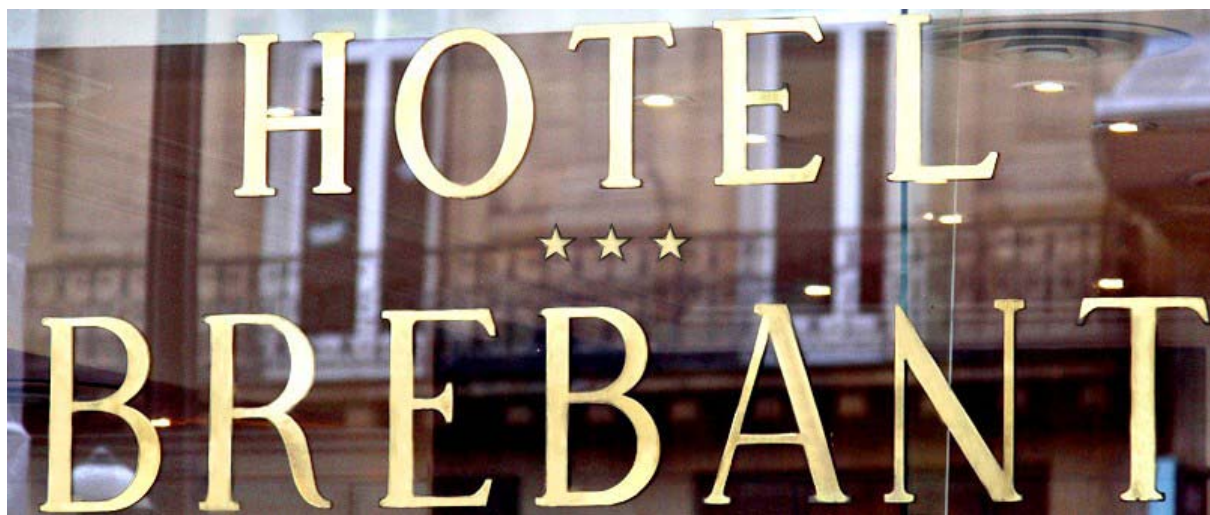

The hotel is currently going through a major refurbishment floor by floor with the smart modern breakfast / dining room now open (pictured above).

A small reception area and staircase leads to the main lobby, which is very decorative in a typical Parisian style with high ceilings, gilt mouldings, chandeliers, drapes and 16th century reproduction furniture. The breakfast room is on the ground floor. Service throughout the hotel is friendly and efficient.

In the heart of Paris you are only a few minutes walk away from the Musée Grévin, the Grand Rex Cinema, the Opéra Garnier and Galeries Lafayette ... and only a few minutes by metro away from Le Printemps department store, the Place de la Madeleine, the Place de la Concorde, the Champs Elysées, the Louvre, the Marais district and the Eiffel Tower.
