

ENGLAND – ST IVES IN CORNWALL

8-day / 7-night one-hotel GUIDED walking tour with a choice of easy to challenging guided walks daily

Cornwall is England's most popular holiday destination: the towering granite cliffs, golden sandy beaches and atmospheric old fishing ports combine to offer one of Europe's most dramatic coastlines. The well-maintained coastal footpath winds around rugged headlands offering ever-changing scenery and sea views. Abandoned tin mines provide dramatic silhouettes on the horizon. Hidden valleys provide a woodland retreat for a host of birds and wildlife. A wide network of hedgerows offers a refuge for a plethora of plants, shrubs and trees. Our walking holiday country house at **St Ives**, with its historic buildings and narrow streets, seafood markets and sandy coves, gives access to all that make this corner of Cornwall so special.

On this classic walking holiday, explore the Cornish coastline, with its sandy beaches, beautiful gardens and smugglers' coves, and we get off the beaten track to peaceful corners and sleeping fishing villages. There is a free day mid-week for you to walk independently or explore the local area – you may like to visit the world-famous biosphere 'Eden Project', take in the famous art galleries of St Ives, including the Tate, or in the evening in season experience the open-air theatre on the cliffs overlooking Porthcurno Bay.
