

ITALY – THE CINQUE TERRE COAST

8-day / 7-night one-hotel guided walking tour based at Bonassola near Levanto

Perhaps our most popular destination in Italy, the Cinque Terre offers great walking along the various levels of its unique, protected landscape and Marine National Park. The ancient fishing villages of Monterosso, Vernazza, Corniglia, Manarola and Riomaggiore cling to the rocky cliffs, surrounded by steep terraced vineyards. The spectacular path linking these five villages offers some of the best coastal walking in Italy.. **Bonassola** lies slightly to the north of the Cinque Terre, and is just a few minutes away by train. This charming seaside village is an ideal base from which to enjoy the popular coastal paths and peaceful trails through the hills further inland, while avoiding the crowds that often descend into the more touristic towns within the Cinque Terre.

Our guided walks follow the **coastal paths** and ascend using cobbled mule tracks onto the aromatic hillsides above. Regular trains and ferries provide access along this spectacular stretch of coastline. Our centre-based or one-hotel walking holidays offer a choice of two guided walks each day – usually an easier walk or a more challenging option. There is usually a free day midweek for sightseeing or to relax on the beach.
