Their accreditation means they are the best in the industry, credible, well trained and professional businesses. This means you can book your travel knowing you're in the safe hands of a trusted and reputable travel agent.

02 TRAINED EXPERTS

Agents are trained destination and product experts and know how to sort through the myriad of travel information available. Their industry knowledge and network means they have access to the best product suppliers and first-to-market offers to ensure you get access to the best quality travel experiences.

An agent has a world of travel information at their fingertips, saving you countless hours of online searching and frustration.

04 CONVENIENCE

Travel agents are a 'one-stop shop' who can handle every aspect of your travel – from booking airline tickets, ground transfers, accommodation tours and activities to travel insurance.

05 PRODUCT THAT SUITS

Agents have access to great deals and will find the best products for your unique travel needs. They have access to technology and systems that consumers simply don't have access to by going direct to suppliers.

06 PROFESSIONAL ADVICE

Your agent ensures you get where you want to go, when you want, and is there to provide timely, insightful, professional guidance along the way. Their experience counts!
