

GERMANY & POLAND – FROM BERLIN TO THE BALTIC SEA

8-days / 7-nights from Berlin to Stralsund, **PREMIUM** Bike and Barge **SELF-GUIDED** cycling cruise

This unique tour cruises on the Oder River, from cosmopolitan Berlin to the majestic Baltic Sea. In Berlin take a stroll on Kurfürstendamm or the Nicolai Quarter on Spree Island; see the Reichstag parliament building or Brandenburg Gate. We cruise out of the city and cycle through Berlin's vast northern forests to Schwedt on the Oder-Havel Canal. Take in Oranienburg and Eberswalde en-route to the Polish city of Szczecin and its magnificent castle. We leave the river here, cruising along the Bodden coast through Usedom to Germany's largest island, Rügen, with its famous chalk cliffs. The varied flora and fauna in this region is exceptional with an abundance of wild flowers and birds (many villages have stork nesting places perched on tall towers). There are lush landscapes and wetlands, quiet villages, baroque castles and many examples of gothic or northern German seaside resort architecture. Our destination is the Hanseatic trading port of Stralsund on the Baltic Sea.

Accommodation is a comfortable, just renovated, river cruiser, with 42 cabins on the main deck and 7 on the upper deck. All cabins have twin lower beds (no bunks) raised with storage underneath. All are outside facing cabins with windows (upper deck cabin windows are openable) and have private en-suite bathroom facilities. The chef prepares national and regional specialties, served in the restaurant with bar. Comfortable seating is available in the lounge and observation saloon with panoramic windows ideal for sunset and evening cruising. There are also deck areas with chairs on the large sundeck. German is the main language used onboard.

Bike & Barge cruises combine two ways to explore Europe (cycling and river cruising), allowing partners of different abilities and interests to holiday together (trips are interesting for leisure cyclists OR enthusiasts). Unpack once; come 'home' each night to a wonderful meal and a comfortable cabin with your own bathroom.

The self-guided cycling is easy to moderate with daily distances of 15 to 45km mostly on cycle trails, bike lanes, quiet backroads or unpaved trails through forests or fields, with heavier traffic near major centres. The terrain is mostly flat, with some short hills. Non-cycling passengers are welcome but whilst there may be activities planned for the evenings there are no sightseeing provisions for non-cyclists during the day.

After breakfast cycle the Treidel bike route along the Finow Canal. We pass forests, woods and farmland with small hills, in the direction of the Niederfinow boat-lift to Hohensaaten (there is the option of a guided tour for those who wish – paid locally). Either board the barge for a cruise to Schwedt or continue the ride.

Day 4: Tuesday, Schwedt – Mescherin – Szczecin

cycling @ 30km

Cycle through part of a unique, cross-border nature reserve called the Lower Oder Valley National Park, then on to Gartz and Mescherin to re-join the boat for a cruise to Szczecin, the green city on the mouth of the River Oder and one of the largest ports on the Baltic Sea. The reconstructed castle of the Dukes of Pomerania, situated in the city's historic centre, is worth seeing. There may be an opportunity for a guided walking tour through Szczecin (optional, at extra cost: booked/paid locally).

Day 5: Wednesday, Szczecin – Zinnowitz

We spend the day cruising, arriving in the expansive waters of the Bay of Szczecin (Oder Lagoon). After cruising the lagoon, we come to Zinnowitz, a charming seaside resort on Usedom Island. There is time this afternoon for a stroll along the waterfront.

Day 6: Thursday, Zinnowitz – Peenemünde – Lauterbach

In the morning cycle through Zeche and Karlshagen Harbour to Peenemünde, where there is a historical/technical museum in the former power plant.
