

**GERMANY – KOBLENZ TO MERZIG ON RIVERS MOSELLE & SAAR**  
8-days / 7-night easy to moderate *PREMIUM* Bike and Barge GUIDED cycling cruise

The Moselle and Saar Rivers are two of Germany's most scenic and romantic rivers offering easy-to-moderate, mainly flat cycling. The cycling is through steep hillsides with terraced vineyards known for their splendid white wines. There are towering ruined castles high above riverbanks and picturesque villages and small towns full of charm and character, many with narrow streets and crafted half-timbered houses dating back to medieval times.

Bike & Barge cycling cruises combine cycling with river or canal cruising. Partners of different abilities and interests can holiday together (trips are interesting both for leisure cyclists and enthusiasts). Unpack once and come 'home' each night to a wonderful meal and a comfortable cabin with your own bathroom. These cruises are rapidly becoming the thing to do in Europe, appealing to the more active mature traveller. They are highly addictive and early bookings are essential given the limited capacity for each tour. Cycling cruises are ideal for those trying a cycling holiday for the first time with family or a small group of friends and singles are also welcome.

Our small, comfortable barge has just 11 twin-bed cabins on the lower deck, sleeping around 24 people, all with a small ensuite shower / toilet, heating and windows which can be opened. The barge has a saloon with bar, lounge and dining area with large windows on the upper deck. The sun deck has tables and chairs, perfect for those days when you might like to take a break from cycling and relax while the barge cruises.

Well-maintained multi-gear hybrid touring bikes are provided. Passengers can bring their own if they prefer – but space for storage is limited. The cycling is along well-defined mostly riverside sealed pathways, cycle paths and backroads with occasional busiest sections close to bigger towns. Occasionally there is the option to break into hillier country to visit areas of interest, for wine tasting, to see a castle or for a coffee stop.

A limited number of **E-Bikes are available** at extra cost – please request these when making a booking.
