Typical suggested route: Passau – Vienna – Passau

Day 1: Arrive Passau

Board the boat in central Passau at 4:00pm. Near the Bavarian / Austrian border, Passau, known as the “City of Three Rivers” is well worth exploring with its charming Old Town and the world's largest church organ at Stephansdom. The crew will help with bike fitting, a pannier, lock and other necessary equipment or advice. There is a shop onboard to purchase a helmet, clothing and souvenirs. The boat departs at 6:30pm sailing eastward along the romantic Danube Valley and there is a welcome cocktail and dinner with live music onboard.

Day 2: Engelhartszell – Brandstatt

cycling @ 45km

Today we cycle from Engelhartszell along the Upper Danube valley through the pristine countryside of dense forests, lush green farm pastures and sleepy villages. See the Schlögener Blick observation point for a truly stunning view of the Schlögener Schlinge where the Danube loops and carves its way through a gorge.

Day 3: Brandstatt – Linz

cycling @ 24km

Continue along the Danube to the Upper Austrian capital of Linz. In the afternoon there may be time to explore the city, a former European Capital of Culture on a bright yellow miniature train or to visit the cathedral, the biggest church in Austria. Dinner onboard and overnight cruising.

Day 4: Mauthausen – Grein

cycling @ 36km

After breakfast, as time allows, explore the town and visit the Mauthausen camp memorial. Today's cycling is an easy ride along the Danube Cycle Path – a smooth, sealed traffic-free track - following the river. There is an alternative (slightly hilly) route via Clam Castle and the beautiful backcountry of the “Strudengau”. The cycling tour ends in Grein, the site of Austria's oldest city-theatre and the Castle of Grein. After dinner there is an evening cruise past villages and towns of twinkling lights, before arriving early next morning into Vienna.

Day 5: Tulin – Vienna

cycling @ 31km

Amidst a breathtaking scenery, you'll discover the monastery of Klosterneuburg. The dome of this 900-year-old baroque building comes into view well before you arrive. "Kahlenbergerdorf" with its wine taverns is only a hop from the shipping pier and worth a visit. After a stroll through the vineyards, you can enjoy the panoramic view over Vienna. Optional bus or guided walking tours to take in the famous sights in the historic centre of Austria's capital.

Day 6: Vienna – Free day

On arriving into the outskirts of Vienna, ride your bike or take a tram, bus or taxi into the city centre to see the Prater, St. Stephens Cathedral and the Hofburg or the *Ringstraße* boulevard with the Burgtheater, State Opera House and the town hall. Take time in the afternoon to stroll around the city or visit the famous Viennese coffee bars. In the evening consider buying tickets for a Waltz and Opera concert or visit a beer hall or wine tavern.

Day 7: Wachau - Krems

cycling @ 37km

Great cycling today, small scenic towns, apricot orchards, vineyards, castles, monasteries and castles ruins abound. The charming little town of Dürnstein with its narrow lanes is an absolute highlight. In Weißenkirchen, taste the wine at one of the wine taverns right along the bike path.

Day 8: Tour ends in Passau.

Our cruise returns along the river to Passau where you can enjoy the early morning tranquillity before disembarking around 11.00am. To allow for potential delays, please do not plan any onward connections until well after 12.00pm.

The timetable and itinerary shown above are indicative only and may change without notice; cruise programs will depend on water levels and the navigation of locks, bridges, etc. All distances are approximate. Tours are subject to minimum numbers – confirmed @ 4 weeks before departure – ask for details. These ships cruise and have engine power at night. If you are sensitive to noise, we recommend you choose an Upper Deck cabin and avoid the Main Deck cabins (as these are closer to the engine and subject to more noise).

Non-cycling passengers are welcome on these tours but remember whilst there may be activities planned for the evenings there are no sightseeing excursions included in the tour cost during the day. Guided sightseeing excursions and city tours or evening events can be booked during the week and paid for on-board.
