

## AUSTRALIA - TASMANIA THE FREYCINET PENINSULA

4-days / 3-nights - guided centre-based walk with quality lodge accommodation

This four-day guided wilderness walk covers the entire length of the Freycinet Peninsula on Tasmania's east coast. Rise to the sights, sounds and smells of the Australian 'bush', enjoy the spectacular vistas of the clear waters of the Tasman Sea, see the contrast of **bright orange lichen on granite** against pristine white beaches, hear bird song and waves collapsing on the shore, and relish the **warm honey smell of Kunzea** in flower.

A walk that allows you to experience the challenge of a good day's hike and the indulgence of carrying no more than your lunch. Each evening, return to the lodge for dinners, a hot bath and a comfortable bed. For many, the highlight of this tour is staying at the award-winning Friendly Beaches Lodge. Every aspect of the lodge and its surrounds is designed to give guests maximum comfort, yet maintaining minimal impact on the environment.

The only building on Friendly Beaches is the Friendly Beaches Lodge, set in **blissful isolation** amidst 130-hectares of private land surrounded by Freycinet National Park. Two accommodation lodges branch off from the main lodge with a collection of double and twin rooms. Both lodges contain a lounge area with fireplace, a bathroom with a clawfoot bath, a separate shower room and two composting toilets.

Energetic Guests will **walk between 36km to 40km over the four days**. The walk is organised so that people who are active will enjoy it. Walkers must be moderately fit and it is important to prepare for the walk beforehand. On the second day of the walk there is a choice between a challenging eight-hour 16km walk to climb Mount Graham (579 metres above sea level; for safety reasons walkers must be wearing ankle support boots to do this section) or a more relaxed 12km route along coastal heath lands and fabulous beaches. On the third day, there is a 12km walk (approximately six hours) to Friendly Beaches Lodge from Bluestone Bay.

Explore a **contemporary menu** of exceptional quality, freshly prepared, healthy, and with just enough indulgence. Enjoy local oysters plucked from the sea only hours before you eat them and try a range of Tasmania's **finest cheese and wines**. The lodge co-ordinators will make you feel at home and help you unwind. The lodge is used exclusively for walking groups.
