

NORTH EAST VICTORIA – MURRAY TO THE MOUNTAINS RAIL TRAIL 7-days / 6-nights **QUALITY**, guided cycling with gourmet food & wine from Rutherglen to Bright

Join us to explore North East Victoria, to experience the incredible alpine valleys and mountain scenery that were once the home of high country cattlemen, legendary bushrangers and the miners of the Australian gold rush in the late 1800's. A region now known for world class local food and fine wines that are widely exported.

This guided cycling tour follows the mostly sealed **Murray to the Mountains Rail Trail**, from one of Australia's most iconic rivers at Rutherglen to Bright in the foothills of the Victorian Alps. We ride mainly flat stretches of the trail through the Ovens and King valleys past impressive vineyards and fertile farmland where hops, nuts, apples, berries and black Australian Angus beef are grown. There are undulations of course which give views across the valleys to forested foothills and Mount Buffalo, one of Victoria's oldest National Parks and the Australian Alps.

We stay in comfortable, quality accommodation and enjoy the gourmet foods and wines of the region including cellar-door platter-style lunches in season showcasing local cheeses and fresh tasty produce. Wine-tasting is an important part of the tour. Taste the iconic Shiraz wines, full-bodied reds that are bursting with Australian sunshine. Go back in time to taste the traditional fortified wines of Rutherglen and Milawa. The King Valley offers white wines including Riesling, Prosecco and Sauvignon Blanc and the Alpine Valleys region has cool climate wines such as Pinot Grigio, Chardonnay and lighter style reds including Tempranillo, Sangiovese and Pinot Noir. Along the way we can try wines from lesser known grapes such as Saperavi and Fiano. For a change, quench your thirst with mountain-crafted beers at the Bright Brewery made with local hops.

We provide multi-gear hybrid bikes, or bring your own bike if you prefer. E-bikes are available (at extra cost).
