## **Suggested route: Passau – Vienna – Passau**

### **Day 1: Arrive Passau**

Board the boat in central Passau at 4:00pm. Near the Bavarian / Austrian border Passau, known as the “City of Three Rivers” is well worth exploring with its charming Old Town and the world's largest church organ at Stephansdom. The crew will help with bike fitting, pannier and other equipment. There is a shop onboard to purchase a helmet, clothing and souvenirs if required. The boat departs at 6:30pm sailing eastward along the romantic Danube Valley and there is a welcome cocktail and dinner with live music as the cruise begins.

### **Day 2: Engelhartszell – Brandstatt**

**cycling @ 45km**

Today cycle from Engelhartszell along the Upper Danube valley through the pristine countryside of dense forests, meadows along the former towpath and past sleepy villages and rustic inns. Stop for some sightseeing at The Schlögener Blick observation point, a truly stunning view of the Schlögener Schlinge where the Danube carves its way through a gorge and doubles back on itself.

### **Day 3: Brandstatt – Linz**

**cycling @ 26km**

Continue along the Danube to the Upper Austrian capital of Linz. In the afternoon there may be time to explore the city, take an optional tour to discover the European Capital of Culture (2009) on a bright yellow miniature train or visit the cathedral that is the biggest church in Austria.

### **Day 4: Mauthausen – Grein**

**cycling @ 35km**

After breakfast perhaps take time to explore the town and visit the Mauthausen camp memorial. Today we start the cycling with an easy ride along the Danube Cycle Path – a smooth, sealed traffic-free track - following the river. The alternative (slightly hilly) route is via Clam Castle and the beautiful backcountry of the “Strudengau”. The cycling tour ends in Grein, the site of Austria’s oldest city-theatre and the Castle of Grein. After dinner there is an evening cruise past villages and towns of twinkling lights, before arriving early next morning into Vienna.

### **Day 5: Vienna – Free day**

On arriving into the outskirts of Vienna, ride your bike or take a tram, bus or taxi into the city centre to see the Prater, St. Stephens Cathedral and the Hofburg or the *Ringstraße* boulevard with the Burgtheater, State Opera House and the town hall. Take time in the afternoon to stroll around the city or visit the famous Viennese coffee bars. In the evening consider buying tickets for a Waltz and Opera concert or visit a beer hall or wine tavern.

### **Day 6: Wachau Valley**

**cycling @ 25 - 40km**

Great cycling today, small scenic towns, apricot orchards, vineyards, castles, monasteries and castles ruins abound. The charming little town of Dürnstein with its narrow lanes is an absolute highlight. In Weißenkirchen, taste the wine at one of the wine taverns right along the bike path.

### **Day 7: Weißenkirchen – Pöchlarn**

**cycling @ 35km**

Today we ride through a diverse landscape, through the wide valleys of the Nibelungenau. Passing rustic wine-growing villages set amongst the vineyards to Spitz, situated on the “1000-Eimer Berg”. Take the ferry to the sleepy southern bank of the river and continue cycling on to the Baroque Benedictine Monastery at Melk.

### **Day 8: Tour ends in Passau.**

We return along the river to Passau and arrive at approximately 9:00am with disembarkation half an hour later. *To allow for potential delays, please do not plan any onward connections until well after 10:30am.*

*The timetable and itinerary shown above are indicative only and may change without notice; cruise programs will depend on water levels and the navigation of locks, bridges, etc. All distances are approximate. Tours are subject to minimum numbers – confirmed @ 4 weeks before departure – ask for details. These ships cruise and have engine power at night. If you are sensitive to noise we recommend you choose an Upper or Promenade Deck cabin and avoid the Main Deck cabins (as these are closer to the engine and subject to more noise).*

Non-cycling passengers are welcome on these tours but remember whilst there may be activities planned for the evenings there are no sightseeing excursions included in the tour cost during the day. Guided sightseeing excursions and city tours or evening events can be booked during the week and paid for on-board.
