

GREECE - IONIAN ISLANDS FROM CORFU TO CEPHALONIA

8-days / 7-nights Moderate to challenging **PREMIUM** GUIDED cycling & sailing between scenic islands

The Ionian Islands are to the west of the Greece mainland. It is a place of sparkling colours: the silvery green of olive groves, deep blue skies and the clear azure blue Ionian Sea. Starting from the popular island of Corfu, our journey takes us off the beaten track to discover Ithaca, known locally as the 'diamond of the Ionians', to see the abundant bird life of Lefkas, the rugged mountains of Cephalonia and the beautiful olive groves of Paxos. Relax, enjoy the beauty and delicious Greek cuisine in the local restaurants and onboard our traditional motor yacht.

Bike and Boat cycling cruises combine two popular ways of exploring (cycling and island hopping) allowing partners of different abilities and interests to holiday together (trips are just as interesting for leisure cyclists OR enthusiasts). Unpack once and come 'home' each night to a wonderful meal and a comfortable cabin with your own bathroom. On any day if you prefer you can choose to skip the cycling and spend time cruising instead.

Cycling routes vary, on average 25km to 50km, undulating with some hilly sections (elevations between 300m and 700m), with some extended uphill stretches. Most roads are sealed.

Cost from: \$2595 per person (twin share lower deck cabins). Single cabin lower deck supplement: \$775
